

Berwick Slow Food

Food & Beer Festival 2026 Trader Info Sheet

Street Food Vendors

Please ensure you have read this document in full and understand the location of your pitch. Any queries regarding location must be sent to us via email prior to the event. Traders will not be permitted to alter their pitch location upon arrival or during the festival.

Street Food Vendors must decide whether they are trading inside the pay gate beside the bar marquee OR amongst the stalls in the artisan market. Please see below the difference in trading days and hours and take this into consideration before you apply.

Beside the Bar Marquee trading hours - longer trading hours into the night and behind a pay gate. Closer to music and large bar marquee:

Friday 14th August 4pm - 10pm

Saturday 15th August 12pm - 10pm

Sunday 16th August 12pm - 6pm

Inside the Artisan Market trading hours - daytime only, beside market stalls, family activities etc:

Saturday 15th August: 10am to 5pm

Sunday 16th August: 10am to 5pm

The charge for a Street Food pitch beside bar marquee: £320

The charge for a Street Food pitch inside producers market: £250

This fee is for the full duration of the festival and is payable upon confirmation of your booking. If payment is not received within 10 working days of your confirmation the Festival Organisers reserve the right to cancel your pitch booking. This year we will allocate stall pitches on a 'first paid basis'.

A £10 discount is available to Slow Food members.

General

The Organisers reserve the right to refuse any booking application which it considers detrimental to the Festival or if there are too many stands selling similar produce. In such cases the views of all parties will be given full consideration, however the Festival Organisers' decision is final.

Stalls may only sell the items listed on their application forms and the Festival Committee reserves the right to ask the stallholder to remove any other items. Stall holders breaking this rule will be asked to leave the Festival.

Market stalls measuring 8 x 4 feet can be provided by the Festival organisers if needed for the Artisan Market. It is the Producers' responsibility to ensure the stalls are not damaged or misused during the weekend.

Where possible, food producers attending the Food Festival are asked to provide samples of their wares as "tasters". This must be covid risk assessed.

Stall holders must keep their immediate area tidy and free from rubbish which must be removed from the site each day.

Stallholders are responsible for any accidents or injuries to members of the public caused by their stalls, staff, or products.

Berwick Slow Food cannot be held responsible for loss of trade due to extenuating circumstances over which we have no control e.g., poor weather

We ask all stallholders to help in publicising the Festival as widely as possible through their own newsletters or websites & social media platforms.

Public Liability Insurance

All Stall holders must have their own public liability insurance with a minimum cover of £2m.

Food Hygiene Certificate

All traders must have a Food Hygiene Certificate. A copy of the certificate must be enclosed with the booking form and fee. **Failure to provide an adequate up to date insurance certificate will prevent you from trading on the day.**

Eco Friendly Disposables

We will **not** be allowing single use plastics or polystyrene disposables.

You will be required to use compostable, recyclable or biodegradable disposables.

Risk Assessment

All traders must carry out a suitable risk assessment of their stall and those doing cooking of any kind must bring a suitable fire extinguisher and fire blanket. **Please bring your risk-assessment document to the Festival. Covid should be included in your risk assessment.**

Electrical Supply

We will be working to provide basic electrical supply to Street Food Vendors both in the market and beside the marquee this year. We hope this will minimise wires and loud generator usage. Costs will be shared between the traders requiring power and therefore will be determined in August 2026. If you would like us to provide electricity please ensure you let us know the breakdown of your needs ahead of time.

Use of your own generator is permitted however their noise level should be reduced with covers / noise cancelling boxes etc in order to keep noise levels of equipment to a minimum.

Festival organisers reserve the right to refuse trading should your set up be deemed unsafe or unfit by them. Traders will be asked to move unsafe equipment and will not be allowed to take part if they are not able to meet our safety requirements.

Gazebos and Weights

When using your own gazebo or structure a minimum weight compliance for fastenings must be adhered to. We ask that each corner of your structure is weighed down with at least 40kg resulting in the total weight of 120kg or more. This is a minimum recommendation and should not be seen as the weight required for each type of structure. It is traders' responsibility to ensure the make and model of your gazebo has been taken into consideration and manufacturer recommendations are followed.

Traders are required to ensure their temporary structures are secure for the full duration of the festival. It is traders' responsibility to ensure their gazebos and setups are secure and safe enough to be left unattended during the night. Traders will be held liable to any accidental damage caused by insufficient weight or poor condition of their own gazebo itself. During high winds or where high winds are expected overnight you must take down your own temporary structure yourself before leaving the site.

Timings

All traders must be staffed and ready to begin trading in time for opening as defined in the hours outlined above each day. Breakdown will not be permitted before closing time.

Cancellations

Cancellations must be in writing via email to festival@berwickslowfood.org. If received before 1st May 2026 a refund (less £50 administration cost) will be issued to the trader. Any cancellations made after this date will have a refund considered by the committee however the Festival Organisers reserve the right to deny a refund. Should the organisers cancel the event due to Covid related issues then traders will be reimbursed in full.

Cancellations made via social media messages or texts will not be considered.
